

Dear Hiring Manager,

I am excited to submit my application for the QA Engineer position at Scandit. I have the analytical mind necessary to write code and the big-picture mentality to make it innovative and unique. I'm thrilled at the prospect of becoming a part of your team at Scandit and placing my abilities at your service.

With my experience in software development, manual testing, and automation testing, I am honored to have the opportunity to apply my set of skills to assist your organization and its clients. I look forward to showing you how I can combine these things as we move along in the hiring process.

Sincerely,  
Mahdi Khashan
