

Hi,

I'm excited to be applying for the QA engineer position at Shop-Apotheke. I'm a passionate QA engineer with 3+ years of experience in all aspects of software development, including designing, documenting, coding, code reviewing, maintaining, monitoring, debugging, and troubleshooting.

It would be a pleasure to learn more about Shop-Apotheke's needs.

Thank you for considering my candidacy for this position. I hope to hear from you soon to schedule an interview.

Respectfully,
Mahdi Khashan
