

Hi! I'm Madeline Mann, the creator of Self Made Millennial.

As seen on ABC News, New York Times, Wall Street Journal, and more.

I built Self Made Millennial to provide you with the **rapid fire, battle-tested advice** you need to find your career and excel in it. Self Made Millennial has led to hundreds of thousands of success stories from people who have landed career defining jobs with our unique insights on **today's modern workplace and job market.**

I'll bring to you the videos, resources, and programs that cut through the noise of outdated job search advice, and provide you with high-impact strategies for the modern job market. You've got it going on, and I am here to help make sure companies see that!

TELL ME ABOUT YOURSELF WORKSHEET

Use this worksheet to plan out your answer to the inevitable interview question, "Tell me about yourself."

Part 1: Who you are One sentence to introduce yourself professionally. Say the title of your current role or an overarching statement of the kind of professional you are. EX: "I have been in the renewable energy industry for 7 years, and am currently the Customer Success Manager at ABC company." Part 2: Your highlight reel 2-4 points that make you stand out based on the role you are interviewing for, with more emphasis on recent accomplishments. EX: "1. Promoted within two years 2. Built ticket management processes from scratch 3. Experienced both high volume requests & provided high touch support to power users." Part 3: Why you're here 1-2 sentences about why the company and role is a compelling opportunity. EX: "This opportunity caught my attention because what you're building in the renewable energy space is exactly in line with my passion and my expertise. With my range of experience I see this as a chance for me to make an impact quickly at the company, and I also see this as a major opportunity for my growth as the team scales.	interview question, Tell me about yourself.
